Art Unit: 2416

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE ABSTRACT

At line 2, at the end of the sentence, the remaining spacing in the line has been deleted.

After line 2, the extra spacing has been deleted thereby combining the two paragraphs into one paragraph.

At the end of the paragraph, the term "Figure 6" has been deleted.

The following is an examiner's statement of reasons for allowance: All the claims are allowable over the prior art because prior art fail to teach or fairly suggest a controller for an ultra-wideband network node, the controller comprising: a processor having a processor control bus and a processor data bus; processor memory coupled to the processor data bus; buffer memory coupled to a second data bus; a memory access controller coupled to the second data bus and to the processor control bus; and a UWB interface for interfacing to a UWB communications device, coupled to the processor control bus and to the second data bus; and wherein the processor is master of the processor control bus and the memory access controller is master of the second data bus.

Art Unit: 2416

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Min Jung whose telephone number is 571-272-3127. The examiner can normally be reached on Monday through Friday 9:00 - 5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, William Trost can be reached on 571-272-7872. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
